

WEEKLY REPORT FOR PROCUREMENT DIVISION

FOR PERIOD ENDING 12 September 1984

1. Progress Report of Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

b. Xerox Laser Printers: Since 1 August 1984 when Automated Data Processing & Engineering Branch (ADP&EB/PD/OL) issued a three year Office of Data Processing (ODP) requirements contract for Xerox 2700 Mod II Laser Printers, 30 requisitions have been received and processed for a total of 90 printers and accessories totaling \$1,271,577. It was originally anticipated that 100 printers would be ordered per year [redacted] but in just one month, ODP has exceeded the estimated quantity for FY-84. NOTE: The TEMPEST printer is targeted for delivery in December 1984 (FY-85) and is reported on schedule. [redacted]

c. IBM Pre-payments: Office of Data Processing (ODP) has provided Automated Data Processing & Engineering Branch (ADP&EB/PD/OL) \$4,988,233 in end of year funds (FY-84) to effect a one month pre-payment of three APP (Alternate Payment Plan) payments due October 1984 (FY-85). This one month pre-payment in September 1984 has afforded the Agency a savings of \$55,800 in interest fees. [redacted]

d. Purchase of the GESCAN 2 for the Office of Current Reference (OCR): In response to a request from the OCR, a contract has been negotiated with the General Electric Company for the purchase of the GESCAN 2 (High Speed Text Search and Retrieval System). Included in the purchase of the GESCAN 2 system is a weeks' training program, the conversion of all existing software to the updated GESCAN 2 format, and operator and reference manuals. The total contract price is \$465,000. [redacted]

ADMINISTRATIVE INTERNAL USE ONLY

STAT *10/1/84*
e. Automated Page Makeup System: The four proposals received in response to the Printing Services Division Pre-Press Request for Proposal (RFP 84B-337) have been evaluated by the Cost Evaluation Team (CET) and recommendations made to the Source Selection Board (SSB) on 7 September 1984. Based on the recommendations from the CET and a preliminary technical evaluation, the Chairman of the SSB will determine which offerors remain in the competitive range. Although the schedule for contract award is tight, the evaluation process is on schedule and contract award is anticipated before 30 September 1984.

3. Significant Events Anticipated During the Coming Week:

None
